Anyone who is over the age of 18 years and wishing to become a member of this club must sign below.

I have read and fully understand the Gunnedah Cycling and Triathlon Club Handbook and I agree to participate in events run by the Club on the following basis:

1. By participating, I accept all risks necessarily flowing from my participation which would result in loss of life or permanent injury. Accordingly I release all people associated with the conduct of events from, and will indemnify them against, all liability (including liability for their negligence) for all injury, loss or damage arising out of or connected with my participation in events. This release and indemnity continues forever and binds my heirs, executors, personal representatives and assigns.
2. I acknowledge that events involve the real risk of serious injury, or risk of death, from various causes including over-exertion, equipment failure, dehydration, accidents with other competitors, spectators and road users, the course and weather conditions, just to name a few.
3. I agree to abide by all race rules and directions issued by the event organisers and their appointed race officials.
4. I acknowledge that failure to observe and obey all road rules will result in my disqualification from the event and immediate suspension from the Gunnedah Cycling and Triathlon Club.
5. I acknowledge that abuse of a club / event official will result in my disqualification from the event and immediate suspension from the Gunnedah Cycling and Triathlon Club.
6. I understand that I should not participate in events unless I have prepared appropriately and my physical condition has been verified by a medical practitioner.
7. I understand that safety precautions undertaken by event organisers (such as course supervision and event safety briefings) are a service to me and other competitors but are not a guarantee of safety.
8. I agree to pay all necessary fees set by the GCTC to participate in Club organised events.
9. I certify that I am eighteen years of age or older and I have read this document and fully understand it.
